Verse:

**F** **F/E** **Dm** **F** **F/E** **Dm**  
You have known our souls in adversity

**C**

When we strive against You

**F** **F/E** **Dm** **F** **F/E** **Dm**  
You extend Your hand time and time again

**C**

From the heights of glory to the depths of my heart

Pre-Chorus:

**Am** **G/B** **C**  
For You have bound Yourself to man

**Am** **G/B** **C**  
Despite his unfaithfulness

Chorus:

**F** **F/E** **G** **Am**  
You pour out mercy

**F** **F/E** **G** **Am**  
You open Your heart

**F** **F/E** **G** **Am**  
You pour out mercy to

**F** **F/E** **G** **Am**  
Reveal Your heart

**F** **F/E**  
All man s empty promises

**G** **Am**  
Lie broken at Your feet

**F** **F/E** **G** **Am**  
But You have never broken one

**F**  
You open up Your heart

**G** **Am**  
Time and time again

**F**  
You give beauty for ashes,

**G** **Am**  
Garments of praise

**F**  
You give infinite mercy

**G** **Am**  
To those who fear Your name
