[Verse]

G (D) **C**
Most days, I wake when the sunshine crawls into my bed

Fit as a fiddle when the world wakes up

Taking a drink from a golden cup

Some nights I can t help but cry

G **C**
Young life, it s fragile as a daisy in an open field

Or else the rain ll come to knock you down

Bad news, it hit me like a freight train goin so fast

Standin in the rain where the daisies grow

Prayin to a god that I don t know
