To Sir, With Love - Lulu  
Words by Don Black, Music by Marc London

[Verse]

**C** **D**  
Those school girl days  
**F** **C**  
of telling tales and biting nails are gone  
**C** **D**  
But in my mind  
**F** **C**  
I know they will still live on and on

[Pre-Chorus]

**B7** **Em**  
But how do you thank someone  
**B7** **Em**  
who has taken you from crayons to perfume  
**D** **G** **D** **A7** (xx2223)  
It isn't easy but I'll try

[Chorus]

**D**  
If you wanted the sky  
**C** **D**  
I'd write across the sky in letters  
**C** **D**  
that would soar a thousand feet high  
**G** **A** (riff)  
To Sir, With Love

[Verse]

**C** **D**  
The time has come  
**F** **C**  
for closing books and long last looks must end  
**C** **D**  
And as I leave  
**F** **C**  
I know that I am leaving my best friend

[Pre-Chorus]

**B7** **Em**  
A friend who taught me right from wrong  
**B7** **Em**  
and weak from strong, that's a lot to learn

**D** **G** **D** **A7**

What! what can I give you in return

[Chorus]

**D**  
If you wanted the moon  
**C** **D**  
I would try to make a start But I  
**C** **D**  
would rather you let me give my heart  
**G** **A** (riff)  
To Sir, With Love

[Verse]

**C** **D**  
Those awkward years  
**F** **C**  
have hurried by why did they fly away  
**C** **D**  
Why is it Sir  
**F** **C**  
children grow up to be people some day

[Pre-Chorus]

**B7** **Em**  
What takes the place of climbing trees  
**B7** **Em**  
and dirty knees in the world outside  
**D** **G** **D** **A7**  
What is there for you I can buy

[Chorus]

**D**  
If you wanted the world  
**C** **D**  
I d surround it with a wall I d scrawl  
**C** **D**  
These words with letters ten feet tall  
**G** **A** (riff) (end on strummed **C**)  
To Sir, With Love

[Riff]
