This version will NOT play well with the song, but if you are just playing acoustically by yourself, it will sound better.

Capo 1

**G#sus4** **G#/D**  
There s a fight between my heart and soul  
**Fm**  
When my pride tries to take control  
**C#sus4**  
It s hard to see what I was meant to be

**G#sus4** **G#/D**  
And we are living in the world without a cause  
**Fm**  
And there s a need that seems impossible  
**C#sus4**  
But I can hear, I hear You calling me

(hold) **G#**  
To raise a banner of love up high in these city streets  
**G#/D** **Fm**  
One hope for all the world to see

Be my banner of love
