

Banner Of Love
Luminate

Gsus1: 320033

F#/D: 200033

Ebm: 022033

Bsus4: 032033

This version will NOT play well with the song, but if you are just playing acoustically by yourself, it will sound better.

Capo 1

F#sus4 **F#/D**

There s a fight between my heart and soul

Ebm

When my pride tries to take control

Bsus4

It s hard to see what I was meant to be

F#sus4 **F#/D**

And we are living in the world without a cause

Ebm

And there s a need that seems impossible

Bsus4

But I can hear, I hear You calling me

(hold) **F#**

To raise a banner of love up high in these city streets

F#/D **Ebm**

One hope for all the world to see

Be my banner of love

F#

This love is a burning flame

F#/D **Ebm**

One voice crying out Your name

B

You re my banner of love

F#

You re my banner of love

F# **F#/D**

And only You can see my destiny

Ebm

Only You can be the strength I need

B

Cause my life is Yours now

F# **F#/D**
So goodbye to pride and bitterness

Ebm
I m going to live out my purpose
