

**Banner Of Love**  
**Luminate**

Gsus1: 320033

A/D: 200033

F#m: 022033

Dsus4: 032033

This version will NOT play well with the song, but if you are just playing acoustically by yourself, it will sound better.

Capo 1

**Asus4** **A/D**

There s a fight between my heart and soul

**F#m**

When my pride tries to take control

**Dsus4**

It s hard to see what I was meant to be

**Asus4** **A/D**

And we are living in the world without a cause

**F#m**

And there s a need that seems impossible

**Dsus4**

But I can hear, I hear You calling me

(hold) **A**

To raise a banner of love up high in these city streets

**A/D** **F#m**

One hope for all the world to see

Be my banner of love

**A**

This love is a burning flame

**A/D** **F#m**

One voice crying out Your name

**D**

You re my banner of love

**A**

You re my banner of love

**A** **A/D**

And only You can see my destiny

**F#m**

Only You can be the strength I need

**D**

Cause my life is Yours now

**A** **A/D**  
So goodbye to pride and bitterness  
**F#m**  
I m going to live out my purpose
