**Luminate**

Gsus1: 320033

**Bb/D**: 200033

**Gm**: 022033

**Ebsus4**: 032033

This version will NOT play well with the song, but if you are just playing acoustically by yourself, it will sound better.

Capo 1

**Ebsus4** **Bb/D**

There s a fight between my heart and soul

**Gm**

When my pride tries to take control

**Ebsus4**

It s hard to see what I was meant to be

**Ebsus4** **Bb/D**

And we are living in the world without a cause

And there s a need that seems impossible

**Ebsus4**

But I can hear, I hear You calling me

(hold) **Bb**

To raise a banner of love up high in these city streets

**Bb/D** **Gm**

One hope for all the world to see

Be my banner of love
