

Banner Of Love
Luminate

Gsus1: 320033

B/D: 200033

G#m: 022033

Esus4: 032033

This version will NOT play well with the song, but if you are just playing acoustically by yourself, it will sound better.

Capo 1

Bsus4 **B/D**

There s a fight between my heart and soul

G#m

When my pride tries to take control

Esus4

It s hard to see what I was meant to be

Bsus4 **B/D**

And we are living in the world without a cause

G#m

And there s a need that seems impossible

Esus4

But I can hear, I hear You calling me

(hold) **B**

To raise a banner of love up high in these city streets

B/D **G#m**

One hope for all the world to see

Be my banner of love

B

This love is a burning flame

B/D **G#m**

One voice crying out Your name

E

You re my banner of love

B

You re my banner of love

B **B/D**

And only You can see my destiny

G#m

Only You can be the strength I need

E

Cause my life is Yours now

B **B/D**
So goodbye to pride and bitterness

I m going to live out my purpose
