

Curse Of The Contemporary

LUMP (UK)

[Verse 1]

Em **D** **Bm** **A**

If you should be bored in California

Em D A Bm
I m sure I m not the last to warn ya

Don t read in too much to all the signs and turns

Em	D	A	Bm
Keep	your	wits	about
you	with	your	mind
freedom			

Em	D	Bm	A
If you should be bored in California			

Em D A Bm
I m sure I m not the last to warn ya

Em	D
The natives scaled the mountains for the	

Bm	A
promise of the sea	

Em D A Bm
But deem the land unworthy of them evidently

[Chorus]

Em
We salute the sun because

D
When the day is done

Bm

We can't believe what we've become

A
Something else to pray upon

Em D
And evidently it s just another vanity

A
Another something to believe

Bm
The curse of the contemporary

Em
We salute the sun because

D
When the day is done

Bm
We can't believe what we've become

A
Something else to pray upon

Em D

And evidently it s just another vanity

A

Another something to believe

Bm

The curse of the contemporary
