

Im Alright
Luna Halo

The chords are pretty simple. Enjoy.

Am F C G
It s been too long, too hard, too far
Am F C G
I know you don t know me at all
Am F C G
I m screaming, I m breathing, I m looking up at you from the floor
Am F C G
I m over, I m under, I m thinking that there s got to be more

(G) C
And I know these days
G Am F C
They fade away like stealing time
G Am F C
Just let me be cause I m alright

C G Am F (x2)

The rest of the song is played all the same way.

Am F C G
I m waking up to bigger things
Am F C G
I m digging, I m clawing, I m doing anything that I can
Am F C G
I m dealing, I m feeling that somethings got to give in the end

(G) C
And I know these days
G Am F C
They fade away like stealing time
G Am F C
Don t take my place cause I m alright
G Am F C
So kill my pain to save my pride
G Am F C
Just let me be cause I m alright
