G

I m losing my soul
My demons they grow
They drag me below
But nobody knows

Bm

No nobody knows
When they take control
I cannot die, I don t bleed anymore

G

Still I feel the pain
Inside this hell
I m burned by the flames

Bm

Eternal yells cast into the lake
Where there is no love
Cause love is just pain

G

So why am I living life cause life s just the same?

Blackbird don t need a reason to go fly

Bm

Nobody wonders why he gets so high
Cause nobody ever question where he go

G

Cause nobody pays attention anymore
Blackbird gon fall from the sky
Blackbird gon take his own life

Bm

Blackbird he say goodbye
Blackbird he don t wanna cry

G

Blackbird he don t wanna cry no more

G

I ll admit that I am selfish, I ll admit that I have lied

Bm

But girl how many times can I fucking apologize
Stare into your eyes I m looking for a vital sign

G

But all I see is cold baby your hearts turned into ice
Conversate with God only thing that keep me round

Bm

Got a little bit of hope left though I m broke down
Late at night my demons fight they yell so fuckin loud

G

Burning blunts and empty bottles only thing that calm them down

I m losing my soul
My demons they grow
They drag me below
But nobody knows

Bm

No nobody knows
When they take control
I cannot die, I don t bleed anymore

G

Still I feel the pain
Inside this hell
