Intro: Am C G D (x2) -- keep playing the D till the Am in the chorus begins

CHORUS

Am C G D

There s only 2 ways out of here

Am C G D

You ll be too late, you ll be trapped here forever

Am C G D

There s only 2 ways out of here

Am C G D Am

One s through the door, the other s through me

Sometimes living in a world like this

C
It s pretty hard not to go insane

G
Not pretty if you don t comply

D
Pretty easy if you don t complain

Am
Stand there like you don t feel pain

C
No tears in the face of defeat

G
Pretend til the end that you don t feel change

D
Don t admit that your faith is weak

Am
Don t say that you feel like dying

C
Life s hard and it feels like diamonds

G

Your home s just far too gone

D

Much too late to even feel like trying

Am

Can t understand what I m saying

C

Can t figure out what I m implying

G

If you feel you don t wanna be alive

D

You feel just how I am

Am

I m on the dark side

C

And you can t come find him

G

How when it s light all around you

D

Yeah, But it s dark all inside him

Am

No winners when it s me against me

C

One of us just ain t gonna survive

G

My heart been broke for a while

D

Your s been the one keepin me alive

CHORUS

Am C G D

There s only 2 ways out of here

Am C G D

You ll be too late, you ll be trapped here forever

Am C G D

There s only 2 ways out of here

Am **C** **G** **D** **Am**
One s through the door, the other s through me

Am
This world is such a fucked up place

C
My mind s such a fucked up shape

G
Everything down here sucks

D
Maybe what s up there is great

Am
We all gotta go one day

C
I just wanna cut to the chase

G
I wanna stop these nightmares

D
I just wanna touch her face

Am
All you see is all my feats (feets)

C
All you see is all my flaws

G
All I hear is all my demons

D
Even through your applause

Am
All you see is all my flights

C
Well all I see is all my falls

G
All you see is all my rights

D
All I see is all my wrongs

Am

Door, keep telling me to fight

C

Gun on my table telling me to come home

G

Telling me to to put him inside my hand

D

Then put it up right next to my dome

Am

Door keep telling me to find a reason

C

Anything to keep me from squeezing

G

Simplest things, yea you really like summer

D

You really like music, you really like reading love

Am

I can t win if it s me against me

C

One of us ain t gonna survive

G

And my heart been broke for a while

D

Your s been the one keepin me alive

D

Your s been the one keepin me alive

D

Your s been the one keepin me alive

CHORUS

Am C G D

There s only 2 ways out of here

Am C G D

You ll be too late, you ll be trapped here forever

Am C G D

There s only 2 ways out of here

Am **C** **G** **D** **Am**
