Nothing Natural

**E** **G** **A**  
Before I met you I was blind  
Pills and liquid filled my mind  
Beneath your outline I was new  
Overflowing with your tune  
**G** **A** **E**  
And don t you know you re beautiful  
**E** **G** **A**  
Next month I missed you like a child  
Couldn t see past you though I tried  
**G** **A** **E**  
And don t you know you re beautiful

**E** **Bm**  
Now I think of every hour  
**A**  
When you still retained your power  
**D**  
And the precious nights we d share  
**E**  
When we d breathe in common air  
**Bm**  
The feeling now you ve gone (SOMEONE REALLY NEEDS TO FIX THIS  
PART UP)  
**A**  
This wretched life goes on  
**D**  
The knife inside of me  
**E**  
It turns just like a key  
**G** **A** **E**  
The sunlight always comes too soon  
My body asks me what to do  
I was so small and vulnerable  
And you were only beautiful

**E** **G** **A**

The seasons shining in your hair  
And it was more than I could bear  
But I can see you in my smile  
And you are only beautiful

I KNOW THIS NEEDS SOME WORK BUT THIS IS MORE THAN A START
