I know you know someone that has a negative vow
                                                    F Bb
And if you re trying to make it they only push you aside
They really don t have, no where to go
Ask them where they re going, they don t know
But we won t let nothin hold us back
           Gm
We re gonna put our selves together
We re gonna polish up our act!
                                      Вb
And if you ve ever been held down before,
                            F
I know you ll refuse to be held down anymore!
