[Intro]

F **Bb** **F**
Eb **Bb** **F**

[Verse 1]

F **Bb** **F**
Well I hear that there s a party tonight
F **Bb** **F**
And I probably won t go, but thanks for the invite
F **Bb** **F**
Cause I d rather stay home and drink gallons of wine
Eb **Bb** **F**
And that must be why nobody stops by

F **Bb** **F**
Why I get so angry when I go out
F **Bb** **F**
Why you think I think too much and I should just calm down
F **Bb** **F**
You can t take me anywhere so you hide me out
F **Eb** **Bb** **F**
And then you ask why I think you never loved me now

[Chorus]

Bb **C**
Why can t I be more like them?
Bb **C**
The kind of people who go out of their way to make new friends
Bb **C**
Cause I don t give a good goddamn about you, I m not making amends
Eb **Bb** **F**
Oh honey, why can t I be more like them?

[Verse 2]

F **Bb** **F**
You don t believe me when I say I want to be alone
F **Bb** **F**
You think there s someone here when I don t pick up the phone
F **Bb** **F**
And now you can t believe I want to talk, honey, oh no
F **Eb** **Bb** **F**
Well you ll get used to it, it s going to be a hell of a ride though

[Chorus]

Bb **C**
So why can t I be more like them?
Bb **C**

The kind of people who feel sad when relationships end

The kind of people who can still manage to get upset

It's cause I am

F

Why can't you be more like that?

Eb
