I Woke Up Near The Sea - Lydia

Great band, the next big thing, if you use this tab and you like it, PLEASE RATE
THANK
If anyone wants me to post how to play the song properly, without chords, just
ask and
upload the tab.

Intro: **D   A   G**

Verse1:

```
        D
So it s another night in my bed
            A
 Cause I can t sleep
                      G
And oh, it wears on your shoulders

Just please don t ever leave

Me here, don t ever leave

Don t you leave
D
Start out like a sailor
A
And bring back all you need
            G
So everyone else can

Try and get some sleep
```

Chorus:

```
D
It turns out you were into yourself
A
It turns out you could find your way out
G
Just once more for my baby girl
D
It turns out you were into yourself
A                                     G
It turns out you could find your way out
```

Verse2: Play the same as verse1

And so I woke up near the sea,
Sailing in my dreams
You are already falling back in love with me
Just fall back in love, yeah
Just fall back in love

Start out like a sailor
And bring back all you need
So everyone else can
Try and get some sleep

Bridge:

D A D G

```
            D                    A
```
It s just the season on your back
```
            D              G
```
It s just the way we know to act

x2

Chorus:

D
It turns out you were into yourself
A
It turns out you could find your way out
G
Just once more for my baby girl

D
It turns out you were into yourself
A   **G**
It turns out you could find your way out

And no one ever knew...

END.
