

**We Clean Up So Well Acoustic**  
**Lydia**

Intro: **F, C, F, Bb, C**

**F**  
Of course you re all crazy  
**C**  
Everyone but me  
**F** **Bb**  
Cause I watched the blood spill overseas  
All from the bodies but  
**C**  
I won t give, I could give a shit  
**Bb**  
If you re scared, cause everyone  
**C**  
Everyone can taste your hatred

Chorus:

**F**  
Yea we clean up so well  
**Dm**  
Sure as hell like a picture  
Money speaks right to her  
**F**  
Stay with the VIPs  
**C**  
And limousines  
**F**  
It s all in the photography  
**Bb**  
And the bodies, but  
**F** **C**  
Now that you re here, I guess we made it  
**F** **Bb**  
I saw the fear, it covered your faces  
I can t see, I can t see this  
**C**  
Ever changing cause  
**Bb** **C**  
Everyone, everyone can taste your hatred

Bridge: (one stuff of each chord)

**F, C**  
**F**  
So I told you  
**C**  
I know how this ends  
**F**

You re no different girl

**C**

But we can still pretend

**F**

You got carried away

**C**

In your own dress up

**F**

I disappeared with

**C**

Some other actress

Chorus:

**F**

Yea we clean up so well

**Dm**

Sure as hell like a picture

Money speaks right to her

**F**

And I, I, I believe it

**Dm**

I love what I am seeing

Guess I ll call it a reason

No we gotta go

**F**

Yea we clean up so well

**Dm**

Sure as hell like a picture

Money speaks right to her

**F**

And I, I, I believe it

**Dm**

I love what I am seeing

Guess I ll call it a reason

No we gotta go

End on **F**
