I Know Places Lykke Li

I Know Places - Lykke Li

Tabbed by: Stubbgubben

Email: n/a

Tuning: Standard

Here s the chords for one of the exceptionally good songs off of Wounded Rhymes. Thought

I d write them down for the sake of it.

It s simply three chords all the way through to the post-rockish ending. Capo on third

G Am Em

Strum them with your thumb downwards and repeat as many times as needed.

Simple song, but still awesome.
