

Paris Blue
Lykke Li

I saw this wasn't in the archive so I decided to try it for myself, it's not much, but it'll do. Pretty much the same pattern as the intro throughout. If you listen to the song the plucking is easy to pick up.

Capo on 4th

Intro:

C Em C Em Am Em Dm Em

C **Em**
All the while you lay your streets for me,
C **Em**
I cursed the pavement that I walked
Am **Em**
All the while you loaned your nights to me,
Dm **Em**
I was unable to forget.
C **Em**
So I didn't kiss you like I should
C **Em**
Didn't grace you like I meant.
Am **Em**
Never once did I lay my eyes on you
Dm **Em**
And all along you saw me cry.
Dm **Em**
Ooooo
Dm **Em**
Ooooo

Chorus:

C **Em**
I'm Paris blue, I miss you
C **Em**
I'm not good enough for you Paris blue
Am **Em**
I'm no good, I'm no good,
Dm **Em**
I'm no good, Paris blue.

All the while you shared your heart with me,
I was unfaithful in your bed.
My thoughts drift towards Malibu

Wishing he was by my side
So I blamed you for the rain,
I blamed you for my loss
Maybe once but never twice for you
Oh momon I did you wrong
Ooooo
Ooooo

Chorus x2
