

Silent My Song

Lykke Li

I m a really big fan of Lykke, and Silent My Song is by far my favourite song. I was surprised it wasn t on here, as I love to play it myself. I haven t tabbed much songs yet, so I m not sure it s completely accurate. Sounds good to me. The lyrics are from the cd booklet.

Dm (strum once) **C** **Dm** **C**
Eyes wide shut and I still feel the needle in my back
Dm **C** **Dm** **C**
Cutting through my veins and spirit making me relapse
Dm **C** **Dm** **C**
I can t tell if i am living or just holding on
Dm **C**
Cause wicked games seeks wicked winners
Dm **C** (multiple strums)
Kick me till I drop

Em Am G6 C
You silent my song; oh
 Em Am G6 C
No fist is needed when you: ah

Dm **C**
And you seek pain like it is pleasure
Dm **C**
Like a work of art
 Dm **C**
Where I m your painting, I m your treasure
Dm **C**
Purest of them all
 Dm **C**
And call it love or call it murder
Dm **C**
Kill me quietly
 Dm **C**
Go close the door and take it further
Dm **C** (multiple strums)
Where no man has been

Em Am G6 C
You silent my song; oh

Em Am G6 C

No fist is needed when you; ah

Em Am

Silent, oh silent, oh

G(6) C

Silent my song (2x)

Em Am G6 C

You silent my song; oh

Em Am G6 C

No fist is needed when you; ah
