

Until We Bleed
Lykke Li

LYKKE LI//UNTIL WE BLEED

Am-G-F-F

I m naked
I m numb
I m stupid
I m staying
And if Cupid s got a gun, then he s shootin

Am-G-F-F

Lights black
Heads bang
You re my drug
We live it

Am-G-F-F

You re drunk
You need it
Real love
I ll give it

Am-G-F-F

So we re bound to linger on
We drink the fatal drop
Then love until we bleed
Then fall apart in parts

Am-G-F-F

You wasted your times
On my heart
You ve burned
And if bridges gotta fall, then you ll fall, too

Am-G-F-F

Doors slam
Lights black
You re gone
Come back

Am-G-F-F

Stay gone
Stay clean
I need you
To need me

Am-G-F-F

So we re bound to linger on

We drink the fatal drop
Then love until we bleed
Then fall apart in parts

Am-G-F-F

Now we re bound to linger on
We drink the fatal drop
Then love until we bleed
Then fall apart in parts

this line is repeated the entire song.
