Until We Bleed Lykke Li

LYKKE LI//UNTIL WE BLEED

Am-G-F-F

I m naked

I m numb

I m stupid

I m staying

And if Cupid s got a gun, then he s shootin

Am-G-F-F

Lights black Heads bang You re my drug We live it

Am-G-F-F

You re drunk You need it Real love I ll give it

Am-G-F-F

So we re bound to linger on We drink the fatal drop
Then love until we bleed
Then fall apart in parts

Am-G-F-F

You wasted your times
On my heart
You ve burned
And if bridges gotta fall, then you ll fall, too

Am-G-F-F

Doors slam Lights black You re gone Come back

Am-G-F-F

Stay gone Stay clean I need you To need me

Am-G-F-F

So we re bound to linger on

We drink the fatal drop Then love until we bleed Then fall apart in parts

Am-G-F-F

Now we re bound to linger on We drink the fatal drop Then love until we bleed Then fall apart in parts

this line is repeated the entire song.
