(G) Some folks say there (Em) ain t no bears in (C) Arkansas  
(F) Some folks never (C) seen a bear at (G) all  
(G) Some folks say that (Em) bears go around eating (C) babies raw  
(F) Some folks got a (C) bear across the (G) hall

(G) Some folks say that (Em) bears go around (C) smelling bad  
(F) Others say that a (C) bear is honey (G) sweet  
(G) Some folks say this (Em) bear s the best I (C) ever had  
(F) Some folks got a (C) bear beneath their (G) feet

(G) Some folks drive the (Em) bears out of the (C) wilderness  
(F) Some to see a (C) bear would pay a (G) fee  
(G) Me I just bear (Em) up to my (C) bewildered best  
And (F) some folks even (C) see the bear in (G) me

(G) Some folks drive the (Em) bears out of the (C) wilderness  
(F) Some to see a (C) bear would pay a (G) fee  
(G) Me I just bear (Em) up to my (C) bewildered best  
And (F) some folks even (C) see the bear in (G) me

So (G) meet a bear and (Em) take him on out to (C) lunch with you  
And (F) even though your (C) friends may stop and (G) stare  
Just (G) remember that s a bear (Em) there in the (C) bunch with you  
And they (F) just don t come no (C) better than a (G) bear  
(repeat)
