

Flyswatter Ice Water Blues

Lyle Lovett

First tab here!!! Love this song. Cannot find one single page with its chords, so I sat down and tried to figure it out. Sounds pretty close to me. It s hard to describe the strumming, but really easy to figure out from the song. There are some hammers peppered in the chords.

C9 **G**
Honey put down that flyswatter
C9 **G**
And pour me some ice water
C9 **G**
And would you bring me my hammer
C9 **D**
And could you find me some nails

C9 **G**
For soon I ll be going
C9 **G**
To work for this living
C9 **G**
And with you here to guide me
C9 **G**
Then I cannot fail

C9 G

C9 **G**
The morning it stumbles
C9 **G**
Right in through the window
C9 **G**
And this getting up early
C9 **D**
Gets old anyway

C9 **G**
And if you listen close dear
C9 **G**

The crying that you hear
C9 G
Is the nighttime lamenting
C9 G
The start of the day

C9 G

C9 G
And it s hotter than concrete
C9 G
In July in Houston
C9 G
And it ll get worse here
C9 D
Before it turns nice

C9 G
But old Tink s in the backyard
C9 G
And I swear that boy s so smart
C9 G
He s got everything ready
C9 G
So we ll be all right

C9 G

C9 G
So honey put down that flyswatter
C9 G
And pour me some ice water
C9 G
And though I ll soon be going
C9 D
Well I haven t gone yet
C9 G
So come stand here beside me
C9 G
And hold my hand gently
C9 G
And tell me do you remember
C9 G
The first time we met

C9 G
