This is from memory, so I hope I haven t butchered this one too badly,
particularly the lyrics....As with everything I post this is transposed
into a key I can sing it in, you ll have to change it to do it in the
same key as the recording.

Simple Song - Lyle Lovett

Amin **C** **G**
It s a simple song for simple feelings
Amin **C** **E7**
You see the moon and you watch it rise
F **C** **G**
Across the continent a night bird sings
Amin **E7** **Amin**
And someone somewhere hears its cry

Amin **C** **G**
Disillusioned, keep your head down
Amin **C** **E7**
Cause if you do they ll never know
F **C** **G**
You ll have no answers to their questions
Amin **E7** **Amin**
And they will have to let you go

Amin **C** **G**
Disenfranchised revolution
Amin **C** **E7**
Take away by right what s yours
F **C** **G**
They make you martyrs of your own cause
Amin **E7** **Amin**
But they don t know what cause its for

Amin **C** **G**
All deserted stand alerted
Amin **C** **E7**
They ll love you when you re all alone
F **C** **G**
You find a red rose in the morning light

Amin **E7** **Amin**
But wait the night and find it gone

Amin **C** **G**
So hear my words with faith and passion

Amin **C** **E7**
For what I say to you is true

F **C** **G**
When you find the one you might become

Amin **E7** **Amin**
Remember part of me is you
