Wishing Well lyndsay diaries

Stand atop the wishing well in the dark of the night.

Passing the time. Not a star in sight.

Not even one. Not one to make an empty wish on.

Cross my heart and hope to die. If I break apart with this lie.

The time keeps on passing but you remain the same.

D (

And your love still remains.

I make a wish on a prayer as a tear falls down the well.

I never hear the fall. It s as if the wish was too tall.

I make a wish on a prayer. Hoping you re still there.

Don t give up on me now. Don t give up on my yet.

D G

Hindsight is always such a sight.

Inpredicting the weather and how things ought to be.

Send your rain and relieve me from this tongue twisted pain.

Chorus

D B G

I believed when they moved their lips. I didn t take my eyes off theirs. All the right words and all the right convincing.

I closed my eyes and jumped in, spinning.

Prologue to the foreclosure of a heart.

I see you at the top of the well with open arms and a smile.

At the top of the well.

You re wishing me well.
