

And you know what I m talking about

[Bridge]

Am **D7**
So smile for a while and let s be jolly
E7
Love shouldn t be so melancholy
Am **C G N.C.**
Come along and share the good times while we can

[Chorus]

G
I could sing you a tune and promise you the moon

But if that s what it takes to hold you
Am
I d just as soon let you go
D7
But there s one thing I want you to know
G
You better look before you leap still waters run deep
Am
And there won t always be someone there to pull you out
D7
And you know what I m talking about
