

I Give Up
Lynn Miles

I give up by Lynn Miles - from the album Unravel "capo on 3rd fret

Em **D** **Em**
I have drunk no well where the water was bitter and cold
Em **D** **Em**
I have numbed all my senses and cried for somebody to hold
C **B7**
I have lied to myself I have lived in regret
Em **C**
and I know that I ain't seen the end of it yet
G **D** **G**
but I know there's a light up ahead and it's waiting for me

Chorus:

G **C**
I give up
G
cut me down
D **G**
give me water give me love give me rest
C
I give up
G
cut me down
D
go ahead go ahead
G
I confess

I have wasted my time I have lost what I cherished the most
The house is on fire and the closets are filled with my ghost
I have lied to my self I have lived in the rain
and I know that it's bound to start pouring again
but I know that there's a light up ahead waiting for me

I give up
cut me down
give me water give me love give me rest
I give up
cut me down
go ahead go ahead
I confess

D

C

G

I confess
