Standard tuning
Capo 5

INTRO C C

C
Im taking a Night Drive
Em
I think Im losing my nerve
F
On every simple straight away
G
On every slinky curve
C
I want somebody to take the wheel
Em
Navigate for a while
F
Tell me how brave Ive been
G
And try to make me smile

CHORUS

Right now I need something for the shakes

I need to fix the brakes

I need a road to take me home straight and true

I need to lay my burdens down

In an understanding town

But most of all

I need someone to talk toooooooooo

VERSE

C

Ive seen too many bloody wrecks

Em

To many broken down cars

F

I know that highways arent lonesome

G

People are

C

Sad little gypsies

Em

But Im one of them now

F

Ah the crazy thing is when I get back home

G

Im probably gonna wanna turn around

CHORUS

Am

Right now I need something for the shakes

F

I need to fix the brakes

C

G

I need a road to take me home straight and true

Am

I need to lay my burdens down

F

In an understanding town

C

G

But most of all

C

Am

F

G

I need someone to talk tooooooooooooo

C Am F G

TO TALK TOOOOOOOOOOOO

VERSE

C

All the signs have lost their meaning

Em

Theres nothing on the radio

F

Its just an old Volkswagen

G

And it feels like I got 18 wheels in tow

C

Theres always somebody in my way

Em

Somebody trying to pass me by

F

Somebodys trying to race

G

Somebody trying to make me cry

CHORUS

Am

Right now I need something for the shakes

F

I need to fix the brakes

C

G

I need a road to take me home straight and true

Am

I need to lay my burdens down

F

In an understanding town

C

G

But most of all

C

Am

F

G

I need someone to talk toooooooooo

C

Am

F

G

TO TALK TOOOOOOOOOOOO

C

Am

F

G

TO TALK TOOOOOOOOOOOO
