Lynyrd Skynyrd

Call Me the Breeze

```
-----  
-----  
---0---  
--3----
```

Is played a few times during the intro.

G	----- ----- ----- ----- ----- -----
D	--7---7--57---7-- --54--- ----- --456-- --654-- -----
A	----7---7---7--- ----7-- --5---5---5---5- ----- ----- --7---7--65---5--
E	----- ----- ----5---57--5--- ----- ----- ----7---7---5---
	Part I II III IV V VI
	----- -----
	--7--- ---6--
	----- --7---

is played every other few beats, listen to the song, its easy.

Play part one a few times, then part II, then III, then IV then I some more then V then VI then V and back to I.

This is an incredibly easy song to do. Add some small improv at times if you like.

This part plays a few times at about 3:20 or so, mixed in with parts I and III.

```
-----|  
-----024--7-7--5--4--2--|  
-----0--3-----|  
-----|
```

Again, this is an incredibly simple song, and its fun to play.
