

Mamas Song

Lynyrd Skynyrd

[Verse]

G **F** **C**
Mama used to send us early to bed on Christmas Eve
G **F** **C**
She became Santa s helper and they took care of me
G **F** **C**
We would wake up early from our beds only to see
F **G**
The love she had for all of us was left beneath the tree

[Chorus]

F **G**
One day I know we ll be together
C
When the Lord brings me to you
F **G**
Then I know, I will be in Heaven
C
When my eyes can rest on you
F **G**
But until then I will remember
Am **G** **F**
All the good times that we ve shared
G
I ll hang a star upon this tree for you
F **G** **C**
On Christmas Day I know you ll be there too

[Verse]

G **F** **C**
Now that I am all grown up with children of my own
G **F** **C**
I see the happiness in their eyes, somehow I wish I d known
G **F** **C**
But not a Christmas Day goes by, that I will not see
F **G**
The gift you gave to all of us was the love you gave to me

[Chorus]

F **G**
One day I know we ll be together
C
When the Lord brings me to you
F **G**
Then I know I will be in Heaven
C
When my eyes can rest on you

But until then I will remember
All the good times that we shared
I ll hang a star upon this tree for you
Mama, on Christmas Day I know you ll be there too

One day I know we ll be together
Then I know I will be in Heaven
I won t have to remember
Cause I m standing there with you
Of a time that you and I always knew
Mama, on Christmas Day I ll finally be with you
