```
I knew a man a long long time
```
                             G
```
But I never knew him at all

```
Am        C/B    C                 F
```
Small in stature, big at heart
```
                           G
```
Oh, he always stood tall

```
Am        C/B    C                 F
```
From the time that he was born
```
                             G
```
He had a style all his own

```
Am        C/B    C                 F
```
In my mind he could do no wrong
```
                           G
```
Misunderstood all along

```
F    G          Am
```
He worked hard all his life
```
C                         Am
```
To get what he has today
```
F        G       Am
```
We would all be better off, if we could
```
F                               G
```
Hear those words that he had to say

```
          F         G                 Am
```
He was a little rough around the edges
```
      F                 G
```
And through it all, we all knew he was
```
      F    G                 Am
```
A little rough around the edges
```
F                     G              ( Am  C/B  C  C/B  F  Em )
```
Simple in mind but always had a kind eye for you
(Oh, for you, for you)
