

Something To Live For
Lynyrd Skynyrd

Intro 3x: G C

G C
What the hell have we done, to get this far down

G C
Yeah, take a look at us now

And what we've become

G C
Seems like we're takin' care of everybody else

But we forgot our own

D
A soldier, a beggin' man, yeah

C
Another homeless child

G D
Give us somethin' to live for

Em C
Somethin' we can hold onto

G D
Somethin' to believe in

C Cm
Like the love between me and you

G D
Caught up in a game that I know we can win

Em C
To lose it all now, oh what a sin

Am G4/B C
I'll keep my faith, no I'll never change

G C
Give us something to live for

G C
Oh, give us somethin' to live for

G C
All of us took a left, when we shoulda gone right

G C
Oh what happened to us brothers and sisters

Now all we do is fight

D
You're face to face, and eye to eye

C
How do we mend this broken heart?

Give us somethin to live for
G D
