E
Have you ever lived down in the ghetto
E B
Have you ever felt the cold wind blow
E
Well, if you don't know what I mean
A7
Won't you stand up and scream
E B E (riff 1)
Cause there's things goin' on that you don't know

E
Too many lives they've spent across the ocean
E B
Too much money been spent upon the moon
E
Well, until they make it right
A7
I hope they never sleep at night
E B E (riff 1)
They better make some changes and do it soon

E
They're gonna ruin the air we breathe, Lord have mercy
E B
They're gonna ruin us all, by and by
E
I'm telling all you beware
A7
I don't think they really care
E B E (riff 1)
I think they just sit up there and just get high

E
Have you ever lived down in the ghetto
E B
Have you ever felt the cold wind blow
E
Well, if you don't know what I mean
A7
Won't you stand up and scream
E B E (riff 1)
Cause there's things goin' on that you don't know

E
Well, if you don't know what I mean
A7
Won't you stand up and scream
E B E
Cause there's things goin' on that you don't know
