Well, the police said we can t drink in the bar
What a shame
Won t you come upstairs girl
And have a drink of champagne

What s your name, little girl?

Shootin you straight, little girl?
For there ain t no shame.

9 o clock the next day
And I m ready to go
I got six hundred miles to ride
To do one more show, oh no
Can I get you a taxi home
It sure was grand
When I come back here next year

I wanna see you again
