

Come Back To Earth
Mac Miller

[Chorus]

Cmaj7 **C7** **Fmaj7** **Em7**
My regrets look just like texts I shouldn't send
Cmaj7 **C7**
And I got neighbors, they're more like strangers
Fmaj7 **Em7**
We could be friends
Am7 **Fmaj7** **Em7** **F** **Em7**
I just need a way out of my head
Am7 **C7sus4** **C7**
I'll do anything for a way out
F **Fm7**
Of my head

[Verse]

Cmaj7 **Dm7** +lick
In my own way, this feels like living
Cmaj7 **Dm7**
Some alternate reality
Fmaj7 **Em7** **Am7**
And I was drowning, but now I'm swimming
Bbmaj7 **G7sus4** **G7**
Through stressful waters to relief
Cmaj7 **Fmaj7** **Em7**
Oh, the things I do do
Am7 **Fmaj7** **Em7**
To spend a little time in hell
F **Em**
And what I won't tell you
Am **F**
I probably never even tell myself
Cmaj7
And don't you know that sunshine doesn't feel right
Dm7
When you're inside all day
Cmaj7 **Dm7**
I wish it was nice out, but it looked like rain
Am **F**
Grey skies and I'm drifting, not living forever
Am **F**
They told me it only gets better

[Chorus]

Cmaj7 **C7** **Fmaj7** **Em7**
My regrets look just like texts I shouldn't send

And I got neighbors, they're more like strangers
