C

G

to a booty ay-ay-ay

And we danced, and we cried

and we laughed and had a really really really good time

Take my hand, let's have a blast

And remember this moment for the rest of our lives

I am not, I am not going to stand on the wall

I will dance, I will dance, I will break that ass off

And I see you in the corner, corner looking so small

Doing the robot like if I die tonight at least I went hard

I will not, I will not give a damn who watches me

I will live, I will live liberate the fox in me

I will be the discoball, freak and give my all

To whatever girl's booty I'm freaking on

I'm not skeeting nah, it's just freaking hot

Alright I skeeted

I will not be a manikin

The ego banish it

The roof's on fire

Let's burn down the vatican

I will moon walk to Pluto in honor of Michael Jackson

In heaven he'll be saying that man is tired dancing

RIP to the king, Michael Jackson, we learned it all from you

Dedicate this to the dance floor

Party up the sorrow til tomorrow morning happens

We pledge allegiance to the DJ put your hands up

And we danced, and we cried

and we laughed and had a really really really good time

Take my hand, let's have a blast

And remember this moment for the rest of our lives

You see me looking at you from that bar right over there

But your friends are all rolled up and they are hating on a player

I just want to dance with you, get on the back of you

Tip tap the boots, extract the truth

Da-Dance with you, get on the back of you

Da-Dance dance dance Awesome

Oh-ee, oh-ee, oh

Oh-ee, oh-ee, oh

Hey-oh, hey-oh

Hey-oh, hey-oh

Uh-ah-ba-bo

Uh-ah-ba-bo

Zib-oh-da-we-bab-ba-dap-bop-bop

Zib-oh-da-we-bab-ba-dap-bop-bop

And we danced, and we cried

and we laughed and had a really really really good time

Take my hand, let s have a blast

And remember this moment for the rest of our lives
