Mad Caddies

Mad Caddies " Today

Tabbed by Don Guitar

Em

Woke up this morning at the end of another bottle

C#

I don't know what's really going on

Em

My hands are shaking, my head is reminding me

C#

That last night I must have had some fun

Am

G#

Em

I've been here so many times you get used to the pain

Am

G#

Em

But I don't wanna play these self destructive games

B

Once again I will say

Em

C#

Today will be the day

Em

C#

Today I'm gonna change

Em (**Em**, **Em**)

Locked inside another damn day

C#

Wonderin' just how I'm gonna turn my life around

Em

Throw me a rope somethin' to save me

C#

Cause I'm sailing on a ship that's goin' down

Am

G#

Em

So lift me off my feet and hang me up to dry

Am

G#

Em

B

Nothing around the clock but I'll give it one more try

Em

C#

Today will be the day

Em

C#

Today I'm gonna change

Em

C#

Am

Today will be the day that I'll give it up

G#

B

Iâ€™ll just give in, and let a brand new life begin

Solo:

B |---7---8h9--9---7-7-----7---8h9-----|
G | /9---9-----9-----6--/9---9-----|
D |-----|
A |-----|
E |-----|
```

Em **D#**
Itâ€™s getting late and I see the lines there

C# **Am**
Iâ€™ll be tempted once again

Em **D#**
Shining bright like a thousand little lights

C# **Am** **B**
All just beggin me to come on in for one
(**B**)
Itâ€™s not gonna kill me

Em **C#**
Today will be the day

Em **C#**
Today I m gonna change 3x
