E*

So much blood I m starting to drown

E* D

Runs from cold to colder

E* D

Time to time the sky s come down

E* D

To help me lose my way

Tears and lies for answers

You and open veins, God knows I m gone

Girl I just want you to

Come on down

Lord it s a storm and I m heading to fall

These sins are mine and I ve done wrong, oh babe

Come on down

Come on down my babe.... Cm

Long Gone Day

Em Cm Bm Em Cm Dm

 ${\bf Em}$ ${\bf Cm}$ ${\bf Bm}$ ${\bf Em}$ ${\bf Cm}$ ${\bf Dm}$ Mmmm, who ever said We wash away with the rain

See you all from time to time

Isn t it so strange

How far away we all are now

and i m the only one who remembers that summer

Oh, I remember

Everyday each time the place was saved The music that we made The wind has carried all of that away

Long gone day
Mmmm, who ever said
We wash away with the rain

[Bridge:] **F# A-B**

So many tears I m starting to drown
The rain s in heaven s all come down
Silver spoons affix the crown
The luckless ones are broken
Fears and lies for answers
You and open flames
God knows I m gone
And I just want you to
Come on down, hmmm

Lord it s a storm am I heading to fall These sins are mine and I ve done wrong I want you to, oh, I just want you to Come on down

I fear again, like then, I ve lost my way And shout to God to bring my sunny days

Great band, great song! JonyBgood, Spain 2011
