Verse:

G **Em**
Say you love me, as much as I love you
Am
Would you hurt me baby
D
Would you do that to me, yeah
G
Say you lie to me baby?
Em
â€˜Cause the truth hurts so much more
Am
Would you do the things that drive me crazy,
D
Leave my heart still at the door?

Pre-chorus:

G
I canâ€™t help it Iâ€™m just selfish
Em
Thereâ€™s no way that I could share you
Am
That would break my heart to pieces
D
Cause honestly the truth is

Chorus:

G **Em**
If I could just die in your arms
Am
I wouldnâ€™t mind
D
â€˜Cause everytime you touch me
G **Em**
I just die in your arms

It feels so right
D
So baby baby please donâ€™t stop, no
