Verse 1:

**Gm**

I watch the sun fall  
down to kill the day  
Another part of me  
just went up in flames  
Cause I m bored and dumb  
and dying to change  
It s the simple life  
driving me insane  
Then you explode in my head  
And now you re all over me

**Eb**      **F**      **Gm**

I come alive with you  
You know you set me free  
Let s go!

Chorus:

**Gm**

Let s burn this town  
Right to the ground  
And we ll go down like

**D/F#**

every legend before us

**Gm**

We ll part the seas

Make history  
While chasing dreams like  
                  **D/F#**  
every legend before us

Verse 2:

**Gm**  
You and me we hit  
the streets  
Cause the thrill of  
living gives me energy  
I wanna steal a car  
and rob a bank  
I wanna find a cure  
that ll save the world

**Eb**  
Cause our lives are  
**F**                  **Gm**  
going up in flames

**Bb**  
As we watch like  
it s a movie  
**Eb**                  **F**                  **Gm**  
I come alive with you  
You re like the drug  
inside of my head!

(Repeat Chorus)

Bridge:

**Eb**  
I open up like a  
**C#m**                  **Gm**  
window for you  
**Eb**  
So come on in and  
                  **C#m**                  **Gm**  
destroy me like you do  
**Eb**  
You come on in after  
**C#m**                  **Gm**  
midnight for me  
**Eb**  
And drag me out while  
                  **C#m**                  **Gm**  
the city falls asleep

Verse 3:

**Gm**

Martyrs and kings

**A**

Heroes and thieves

**Bb**

We re chasing dreams  
like every legend before us

(Repeat Chorus twice)

End on Gm(hold)
