Verse 1:

Gm

I watch the sun fall
down to kill the day
Another part of me
just went up in flames
Cause I m bored and dumb
and dying to change
It s the simple life
driving me insane
Then you explode in my head
And now you re all over me

Eb **F** **Gm**

I come alive with you
You know you set me free
Let s go!

Chorus:

Gm

Let s burn this town
Right to the ground
And we ll go down like

D/F#

every legend before us

Gm

We ll part the seas

Make history
While chasing dreams like
 D/F#
every legend before us

Verse 2:

Gm
You and me we hit
the streets
Cause the thrill of
living gives me energy
I wanna steal a car
and rob a bank
I wanna find a cure
that ll save the world

Eb
Cause our lives are
F **Gm**
going up in flames

Bb
As we watch like
it s a movie
Eb **F** **Gm**
I come alive with you
You re like the drug
inside of my head!

(Repeat Chorus)

Bridge:

Eb
I open up like a
C#m **Gm**
window for you
Eb
So come on in and
 C#m **Gm**
destroy me like you do
Eb
You come on in after
C#m **Gm**
midnight for me
Eb
And drag me out while
 C#m **Gm**
the city falls asleep

Verse 3:

Gm

Martyrs and kings

A

Heroes and thieves

Bb

We re chasing dreams
like every legend before us

(Repeat Chorus twice)

End on Gm(hold)
