**Madness**

...GREY DAY... by Madness  
-----.....

\*from Seven (1981)\*

Intro:

**Gm Dm A, A7 (x2)**

Verse 1:

**Gm** **Am**  
When I get home, it s late at night, I m black and bloody from my life.  
**Gm**  
I haven t time to clean my hands;  
**Am** **Gm Dm A, A7**  
Cuts will only sting me, through my dreams.

Verse 2:

**Gm** **Am**  
It s well past midnight as I lie, in a semi-conscious state.  
**Gm**  
I dream of people fighting me,  
**Am** **Gm Dm A, A7**  
Without any reason I can see.

Chorus 1:

**Bb** **Am** **Bb** **Am**  
In the morning, I awake; my arms my legs, my body aches.  
**Bb** **Am**  
The sky outside is wet and grey;

**Bb** **C** **Dsus4 Dm**  
So begins a-nother weary day...  
**Bb** **C** **Dm**  
So begins a-nother weary day.

Verse 3:

**Gm** **Am**  
After eating I go out, people passing by me shout.  
**Gm** **Am** **Gm Dm A, A7**  
I can t stand this agony; why don t they talk to me?

Bridge 1:

**C#m**                      **C**                      **C#m**                      **A**  
In the park I have to rest; I lie down and I do my best.  
**C#m**                      **C**                      **Bsus4**                      **B**  
The rain is falling on my face; I wish I could sink with-out a trace.

Interlude:

**Gm Dm A, A7**

Chorus 2:

**Bb**                      **Am**                      **Bb**                      **Am**  
In the morning, I awake; my arms my legs, my body aches.  
**Bb**                      **Am**  
The sky outside is wet and grey;

**Bb**                      **C**                      **Dsus4 Dm**  
So begins a-nother weary day...  
**Bb**                      **C**                      **Dm**  
So begins a-nother weary day.

Verse 4:

**Gm**    **Am**  
In the park I have to rest; I lie down and I do my best.  
**Gm**  
The rain is falling on my face;  
**Am**    **Gm Dm A, A7**  
I wish I could sink without a trace.

Chorus 3:

**Bb**                      **Am**                      **Bb**                      **Am**  
In the morning, I awake; my arms my legs, my body aches.  
**Bb**                      **Am**  
The sky outside is wet and grey;

**Bb**                      **C**                      **Dsus4 Dm**  
So begins a-nother weary day...  
**Bb**                      **C**                      **Dm**  
So begins a-nother weary day.  
**Bb**                      **C**                      **Dsus4 Dm**  
So begins a-nother weary day...  
**Bb**                      **C**                      **Dm**  
So begins a-nother weary day.

Outro:
