There s panic and I hear somebody scream  
Ahh!

He picks up useless paper and puts it in my pocket  
I m trying very hard to keep my fingers clean  
I can t remember, tell me what s his name?

And all I wanted was a word or photograph to keep at home

And all I wanted was a word or photograph to keep

The sun is laughing, it s another broken morning  
I see a shadow and call out to try and warn him  
He didnt seem to hear just turned away

The quiet fellow follows and points his finger straight at you  
He had to sacrifice his pride yes, and throw it all away

I am Michael Caine

And all I wanted was a word or photograph to keep at home  
And all I wanted was a word or photograph to keep

His days are numbered he walks round and round in circles  
There is no place he can ever call his own  
He seems to jump at the sound of the phone

Staring out the window there s nothing he can now do  
All he wanted was to remain sane

He cant remember his own name

My name is Michael Caine

And all I wanted was a word or photograph to keep at home

And all I wanted was a word or photograph to keep
