

Sun And The Rain
Madness

MADNESS

THE SUN
AND THE RAIN

INTRO: **Eb G#**

Eb G#
It s raining again,
Eb G# C# Eb
I m hearing its pitter patter down.
G#
It s wet in the street
Eb G# C# Eb
Reflecting the lights and splashing feet,
G#
Nowhere to go,
Eb G# C#
And nothing I have to do, have to do
Eb G#
It s raining again,
Eb G# C# Eb
I follow the Christmas lights down town.
G#
I m leaving the flow
Eb G# C# Eb
Of people walking all around,
C# Eb
Round and round,
Eb G#
I hear the sound of rain falling in my ears
Eb G#
Washing away the weariness like tears.
Eb G#
I can feel my troubles running down,
Eb G#
Disappear into the silent sound

the rest just goes on like that
