Madness

MADNESS

THE SUN
AND THE RAIN

INTRO: C F

C F
It s raining again,
C F Bb C
I m hearing its pitter patter down.
F
It s wet in the street
C F Bb C
Reflecting the lights and splashing feet,
F
Nowhere to go,
C F Bb
And nothing I have to do, have to do
C F
It s raining again,
C F Bb C
I follow the Christmas lights down town.
F
I m leaving the flow
C F Bb C
Of people walking all around,
Bb C
Round and round,
C F
I hear the sound of rain falling in my ears
C F
Washing away the weariness like tears.
C F
I can feel my troubles running down,
C F
Disappear into the silent sound

the rest just goes on like that
