

Another Suitcase In Another Hall
Madonna

G **C** **D** **G**
I don't expect my love affairs to last for long,
C **G D** **G** **D**
never fool myself that my dreams will come true.
G **C** **D** **Em**
Being used to trouble I anticipate it,
D **C** **G**
but all the same I hate it, wouldn't you?

CHORUS

D **G**
So what happens now? Another suitcase in another hall
D **G**
So what happens now? Take your picture off another wall
C **Em**
Where am I going to? You'll get by, you always have before
C **G**
Where am I going to?

G **C** **D** **G**
Time and time again I've said that I don't care,
C **G D** **G** **D**
that I'm immune to gloom, that I'm hard through and through.
G **C** **D** **Em**
But every time it matters all my words desert me,
D **C** **G**
so anyone can hurt me - and they do.

(CHORUS)

G **C** **D** **G**
Call in three months time and I'll be fine, I know,
C **G** **D** **G** **D**
well, maybe not that fine, but I'll survive anyhow.
G **C** **D** **Em**
I won't recall the names and places of each sad occasion,
D **C** **G**
but that's no consolation, here and now.

(CHORUS)
