Something s missing
and I don t know why
I always feel the need
to hide my feelings from you
Is it me or you that I m afraid of
I tell myself I ll show you
what I m made of
Can t bring myself to let you go

Don t want to cause you any pain
But I love you just the same
And you ll always be my baby
In my heart
I know we ve come apart
And I don t know where to start
What can I do?
I don t wanna feel blue

Bad girl drunk by six
Kissing someone else s lips
Smoked too many cigarettes today
I m not happy when I act this way
Bad girl drunk by six
Kissing some
kind stranger s lips
Smoked too many cigarettes today
I m not happy
I m not happy

Something s happened and I can t go back
I fall apart every time
you hand your heart out to me
What happens now
I know I don t deserve you
I wonder how
I m ever gonna hurt you
Can t bring myself to let you go

I don t want to cause you any pain
But I love you just the same

And you ll always be my baby
In my heart
I know we ve come apart
And I don t know where to start
What can I do?
I don t wanna feel blue

Bad girl drunk by six
Kissing someone else s lips
Smoked too many cigarettes today
I m not happy when I act this way
Bad girl drunk by six
Kissing some
kind stranger s lips
Smoked too many cigarettes today
I m not happy
I m not happy
This way

I don t want to cause you any pain
But I love you just the same
And you ll always be my baby
In my heart I know we ve come apart
And I don t know where to start
What can I do
I don t wanna feel blue
Bad girl drunk by six

Kissing someone else s lips
Smoked too many cigarettes today
I m not happy when I act this way
Bad girl drunk by six
Kissing someone else s lips
Smoked too many cigarettes today
I m not happy when I act this way
I m not happy
This way

Bad girl drunk by six
Kissing someone else s lips
Smoked too many cigarettes today
I m not happy when I act this way
Bad girl drunk by six
Kissing someone else s lips
Smoked too many cigarettes today
I m not happy when I act this way
I m not happy
This way

Not happy this way
Kissing some kind stranger s lips
