Something s missing  
and I don t know why  
I always feel the need  
to hide my feelings from you  
Is it me or you that I m afraid of  
I tell myself I ll show you  
what I m made of  
Can t bring myself to let you go

Don t want to cause you any pain  
But I love you just the same  
And you ll always be my baby  
In my heart  
I know we ve come apart  
And I don t know where to start  
What can I do?  
I don t wanna feel blue

Bad girl drunk by six  
Kissing someone else s lips  
Smoked too many cigarettes today  
I m not happy when I act this way  
Bad girl drunk by six  
Kissing some  
kind stranger s lips  
Smoked too many cigarettes today  
I m not happy  
I m not happy

Something s happened and I can t go back  
I fall apart every time  
you hand your heart out to me  
What happens now  
I know I don t deserve you  
I wonder how  
I m ever gonna hurt you  
Can t bring myself to let you go

I don t want to cause you any pain  
But I love you just the same

And you ll always be my baby  
In my heart  
I know we ve come apart  
And I don t know where to start  
What can I do?  
I don t wanna feel blue
