

Has To Be
Madonna

Am G D

Breathe in.. breathe out

Am G D

I say a little prayer

Am G D

How the Gods above

Am G D

Could be so unfair

Am G D

I know there s someone out there

Am G D

Waiting for me

Am G D

There must be someone out there

Am G D

There just has to be

Am G D

Go on.. go on

Am G D

Don t sit there like a fool

Am G D

You ve graduated from

Am G D

A different kind of school

Am G D

I know there s someone out there

Am G D

Waiting for me

Am G D

There must be someone out there

Am G D

There just has to be

Am G

How could all the Gods above

D

be so unfair
